Strong Union Resolu-

tions Adopted.

For the Standard. UNION MEETING IN RALEIGH.

At a meeting held in Raleigh, on Thursday, September 20th, 1866, on motion of C R. Thomas, Esq., of Craven County, Hon. W. W. Holden was called to the Chair, and on motion of R. F. Lehman, Esq. of Craven, W. Logan, of Rutherford, and W. J Doughty, of Carteret, were appointed Sec-

retaries.

The Chairman explained the object of the meeting in an appropriate manner.
On motion, the Chairman appointed the following gentlemen a committee to prepare resolutions for the action of the meeting :

C. R. Thomas and R. F. Lehman, of Crayen, D. A. Jenkins, of Gaston. E. T. Blair, of Randolph. John Robinson, of Wayne. Henderson A. Hodge, of Wake. J. B. McMurray, of Alamance. N. Chandler, of Davidson. J. C. L. Harris, of Rutherford. Jesse Green, of Davie.

W. T. Gunter, of Chatham. The committee retired and after due deliberation, reported through their Chairman, Mr. Thomas, the following resolutions, which

were unanimously adopted: The Union State Mass Meeting assembled in the city of Raleigh, the 20th day of September, 1866, for the purpose of maintaining and preserving the organization of the Union party, to the end that the State government of North-Carolina may be so administered as to secure the restoration and perpetuation of the rights, privileges and immunities of the people thereof, and their form of government in harmony with the National Government-grateful for the preservation of that sentiment of nationality which is the shield of the Constitution and the sure guarantee of Republican form of government, do, with a sincere desire for reconciliation, forgiveness and charity among all classes of American people, who were either engaged, or involved in the late civil war, resolve-

1. That only those men, without regard to their antecedents, who are "unmistakably loyal" to the government of the United States, should be appointed or elected by the people of North-Carolina to any office, or place of trust or profit. 2. That, in order to secure the re-establishment of the State in the Federal Union;

the speedy restoration of all rights, privileges and immunities of her loyal citizens, and the final adjustment of the governmental relations of her whole people in harmony with the National Government, the amendment proposed by the present Congress, a article 14, to the Constitution of the United States, as a condition precedent to these ends, should be accepted and ratified by the General Assembly of North-Carolina.

3. That, having full confidence in the justice and magnanimity of Congress that upon the ratification of said proposed amendment the disability to hold, or to be eligible to office imposed therein, will be, in every proper case, removed without discrimination as to any class or party of our fellow-citizens on account of their antecedents, and that the State of North-Carolina will be forthwith re-admitted to the Union, we would respectfully urge upon our whole people to consider, and demand that the same be ratified by their representatives in the next General Assembly

4. That in the present anomalous state of the country, without any provisions contained in our written Constitutions, either State or National, or precedents in American history to guide us safely in the great work of restoring the relations of a State government ruptured by civil war in harmony with the National Government, we desire and now stand ready to co-operate, without obstinate adherence to any special plan or policy of restoration, in any further action that in the wisdom of Congress and the Executive may be deemed necessary to guarantee to the State of North-Carolina a Republican form of government, and restore the Union.

5. That we profoundly regret the defection of Gov. Worth from the Union cause, his proscription for opinion's sake of Union men from office, and the injurious induence which the prominent instigators and actors in the rebellion are exerting over him in his official conduct. We cannot hope that the State will be restored to the Union under his auspices; and, as we prefer principles to men, and believe the restoration of the Union to be more important and more vital to the best interests of the State than every thing else, we feel it to be our duty firmly to oppose his re-election.

6. That having full confidence in the patriotism, ability, and sterling Unionism of Gen. ALFRED DOCKERY, of the County of Richmond, we hereby unanimously recommend him to the people of North-Carolina, as a suitable person to be chosen Governor at the election, to be held on the 18th of October next. Gen. Dockery is well known as a firm and unflinching Union man. He has had no connection with the causes that led to our present unhappy condition, and he has been true to the Union cause. His interests as a farmer are identified with those of the great body of our people. His election in the present crisis would be a fortunate circumstance for the people of the State, and would do much with the loyal people of the North, to open the way for our return to the Union.

Letters were read from Lewis Thompson, Esq., Robert P. Dick, Esq., and other distinguished Unionists, approving the object of the meeting and expressing a warm preference for ALFRED DOCKERY for Governor. On motion of Jas. F. Taylor, Esq., of Wake

a committee of three was appointed to act in conjunction with the officers of the meeting in informing Gen. Dockery of his nomination. Whereupon the Chair appointed James F. Taylor, H. J. Menninger, and E. T.

On motion, it was Resolved, That the Chairman appoint State Committee of fifteen, to aid in promoting the Union cause in the State. Under this resolution the Chair appointed the following gentlemen:

Lewis Thompson, of Bertie. David M. Carter, of Beaufort. Dr. Eugene Grissom, of Granville. C. R. Thomas, of Craven. O. H. Dockery, of Richmond E. L. Pemberton, of Cumberland. Thomas Settle, of Rockingham. Robert P. Dick, of Guilford. Calvin J. Cowles, of Wilkes.

Tod R. Caldwell, of Burke. R. M. Henry, of Macon. A. H. Jones, of Henderson. L. L. Stewart, of Buncombe. G. W. Logan, of Rutherford. Dr. W. Sloan, of Mecklenburg. On motion, it was

Resolved, That the Chairman of this meeting be requested to furnish a copy of his address to be published with these proceedings; and that the Raleigh Standard, Newbern Times, Charlotte Democrat, People's Press, Henderson Pioneer, and Rutherford Star be respectfully requested to publish the pro-ceedings and address.

On motion, it was requested that R. W Logan, one of the Secretaries of this meeting, proceed to Richmond County to inform Gen. Dockery of his nomination.

On motion, the thanks of the meeting were tendered to the Chairman and Secretaries, and then on motion the meeting ad-journed. W. W. HOLDEN, Ch'm. W. J. DOUGHTY, Secretaries.

If Gen. Dockery occupies the position that we do, we beg permission to modestly say that Gen. Dockery is right. But in forming an opinion as to the right course to pursue, we do not take into consideration Gen. Dockery's or any other man's position-we look at the situation as it is, and calculate what may happen hereafter; and after mature reflection we repeat that, if the President fails in the Northern elections to secure Congress, and having confiscation enforced, a Provisional Governor appointed, and our country garrisoned and plundered by milita-

We do not intend to quarrel with any one about this matter. We are a friend of the President's policy-we have done in all our power to strengthen that policy-but supose we cannot get what we want, what then? Is it not our duty to accept of the least of two evils? We are a conquered people, and our conquerors have it in their power, if we do not accept of the proposed amendment, to compel us to submit to Mr. Thad. Stevens' scheme of confiscation, negro voting, &c., which will not only degrade but ruin every man, black and white, in the South.

It will be remembered that in 1861 we all said we would not do so and so, and in 1865 the people of the South generally declared that they would never submit to the subjugation and such treatment. But it is certain that we have been compelled to do the very things we said we would not do; and many who talked most and loudest about not submitting were the first to "cave in." Therefore, considering the uncertainty of the times, and our past experience, we suggest that it is premature and imprudent to declare what we will do and what we will not do. Every one of our public men should remain unpledged, and be free to do what he may honestly believe will save his constituents from trouble and promote their welfare. -Charlotte Democrat.

TAXATION OF HOMESTEADS.—The law requires a homestead settler to occupy and cultivate the land for five years before he can acquire a title. The question has been raised whether the improvements made by the settler within that time can be taxed before the title is passed to him. The Commissioner of the General Land Office, in an opinion on the subject, says: "If a qualified settler goes upon the land, resides there and cultivates the tract for the full term of five years, the Government stipulates that he shall, on paying a small fee, get a complete The consideration is mainly a labor consideration, stipulated not only for the interest of the claimant, but for the benefit of the State. The statute, in virtue of the Sixth Article of the Constitution, is the supreme law of the land. It cannot, therefore, be rendered inoperative or abridged by such an exercise of the taxing power as would defeat the privilege conferred upon the settler. The spirit and purpose of Congress in this respect is clearly manifested in the fourth section of said Act of May 20, 1862, which declares that no lands acquired under the provisions of this act shall, in any event, become liable to the satisfaction of any debt or debts contracted prior to the issuing of the patent thereof. It is the generous purpose, then, of the United States, through the National Legislature, to protect settlers in their homes under the law until their titles reach maturity."-Internal Revenue Record.

We are pleased to learn that the North-Carolina Institute for the Deaf and Dumb and the Blind, has opened another session with a larger number of pupils than were present at the previous session. Some have entered from States south of North-Carolina, as many of the institutions which were suspended during the war have not being able to resume. react upon themselves and the surrounding or The North-Carolina institution is located at Raleigh, and is under the vigorous management of that excellent and experienced instructor, Mr. Willie J. Palmer. It is a cherished charity of the State.-New York Watchman.

A RE YOU SICK, feeble and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? — These symptoms are often the prelude to seri ous illness. Some fit of sickness is creeping up-on you, and should be averted by a timely use

of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on anobstructed in gain. They stimulate the body into vigorous activity, purify the system from the obstructions which make disease. A coid settles somewhere in the body, and deranges its natural functions. These, if not relieved gans, producing general aggravation suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Billous Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar-coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

Ayer's Ague Cure.

FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers, indeed for the whole class of Diseases originating in biliary Derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleto-rious substance, nor does it produce quinism or any injurious effect whatever. Shaking brother of the army and the west, try it and you will endorse these assertions.
